Subject: EPA Final SCSR and request for the RI/FS schedule
Attachments: LCP OU2 July 2020 Site Characterization Summary Report EPA final 8_14_2020.docx.pdf

Prashant,

Please see the attached letter. EPA considers the July 2020 Revision 1 SCSR to be final and requests a schedule for the RI/FS to be submitted. EPA also requests the remaining issue regarding figures be resolved for the RI. I'm sure we can continue to discuss the issue and come to resolution in the forthcoming RI scoping meetings. Have a great weekend!

Sincerely,
